NEWS FROM THE DEVELOPMENT DIRECTOR: **Race for Education:** The eighth annual Race for Education is just around the corner on October 12, 2018. On race day, all the school children walk and run for one hour around Garden Park at designated times. They are encouraged to compete for prizes and achieve personal goals. We are planning some special features like obstacles and team activities! In addition to being a fundraising event, the Race for Education teaches students about health, fitness, and goals. They work together in cooperation to win prizes for their class and the entire student body. It is a hands-on program that helps students learn about healthy lifestyles, develop valuable skills to prepare them for the future, and fundraise for their school.

Race for Education update: Student mailing that has been turned into the main office has been completed and sent out to your family and friends. Please tell your family members and friends that they will be receiving a letter from CCS.

- If you have NOT turned in your Race for Education student mailing labels: Together we can achieve our goal with your help in the Race for Education! With your participation in the student mailing this has become the schools largest fundraiser. Not only does it raise money for the school but it also teaches students about health, fitness and goals. This is also a chance for your student to earn some prizes. Help us make this event another success by returning your child's mailing labels into the main office this week. If you need another copy of your labels used last year or have questions regarding the mailing please notify the main office.
- **Volunteer:** Volunteers are needed for our Race for Education held on October 12, 2018 in Garden Park. Volunteers will help with activities throughout the day from 8:30 a.m. - 3:30 p.m. Please contact Miranda at mshaner@ccwheeling.net or Erin in the main office evogrin@ccwheeling.net if you would like to volunteer for the Race for Education.
