Dear Community Leader:

Corpus Christi School is planning their tenth annual ***Race for Education*** on Friday, October 16, 2020! Last year, we raised \$32,516 to help sustain the quality, faith-based education we provide and keep tuition costs affordable to our students. **Please consider joining us as a sponsor this year!**

Corpus Christi School is a private, Catholic School educating students from preschool through eighth grade. It was founded in 1916 by the Sisters of St. Joseph and carries on a 105-year tradition of Catholic education. Our focus is enriching our students' lives through a quality religious education, collaborative working environment, individualized classroom instruction and excellent academic standards. Sponsorship of the 2020 ***Race for Education*** is a way to support this tradition of high-quality education and the students we serve!

On race day, all the school children walk and run for one hour around Garden Park at designated times. They are encouraged to achieve personal goals. In addition to being a fundraising event, the ***Race for Education*** teaches students about health, fitness, and goals. Students are led by the physical education teacher in activities each week prior race day to prepare. It is a hands-on program that helps students learn about healthy lifestyles, develop valuable skills to prepare them for the future, and fundraise for their school.

Enclosed is more information and benefits of sponsorship levels. We need your help to meet our \$35,000 goal this year!

If you would like to join us as a sponsor, please fill out and return the enclosed form.
